SPONSORSHIP PACKAGE

EVENT OVERVIEW

We're turning the typical nonprofit luncheon event on its head! Facilitated by On Your Feet, we are creating an interactive experience that's part networking, part learning and part brainstorming the ways businesses and individuals in Portland can support workforce development to help youth launch their potential!

- Network with a variety of companies and community leaders (meet new, creative people!)
- Learn from successful Littles (be inspired by Littles making a BIG difference!)
- Brainstorm together the ways you and your business can make a greater impact on the workforce of tomorrow (contribute creative ideas to build a better workforce!)

Because we want to encourage cross-collaboration and networking in a new and engaging way, we aren't doing "company-sponsored tables" like you've seen at other events. Each sponsor level will receive tickets and guests will be split up around the room in groups of two at tables set up for 10 people. Your guests will have the ability to network with people across five different industries! Our Presenting Sponsor and Launching Potential Sponsors will have the ability to choose who they want to sit next to in the room! (Contact Katie if you would like more than 2 people from your business to be at one table.)

SPONSORSHIP RESERVATIONS

Please contact Katie MacDonald, Corporate Relations Manager, to discuss the BIG Futures Luncheon Sponsorship Package and receive an invoice if this is a good fit for your company! A portion of your sponsorship is tax deductible.
